Re: FCC ID: 2AFR8ED0991

To Whom It May Concern:

The following application is submitted on behalf of our client, InVue Security Products, for evaluation of their model ED0991 for certification under FCC Part 15 Subpart F for limited modular approval.

The ED0991 module is a self contained RF circuit consisting of the UWB transceiver system and antenna in a chip like package 0.875 X 0.5 inches.

The ED0991 was tested in full to the requirements of the aforementioned rules and was found to be in compliance.

Sincerely,
